OBJECTIVE

I am a senior majoring in Artificial Intelligence at FPT University in Vietnam, with a solid background in mathematics and computer science. My deep passion for AI and Machine Learning drives both my academic journey and research endeavors. I aspire to pursue a PhD to establish myself as a leading researcher in Machine Learning. Through my work, I strive to address complex challenges, develop innovative solutions, and make a meaningful contribution to advancing modern technology.

EDUCATION

FPT University 🔗

Bachelor of Information Technology; Major: Artificial Intelligence

- CGPA : 9.33/10

Ho Chi Minh, Vietnam

2022 - Expected 2026

UTP University 🔗

Intensive English Programme

Perak, Malaysia

Jun 2023 - Jul 2023

WORKING EXPERIENCE

AI Engineer Intern

Pythera AI 

May 2025 – Present

BeQ Holdings, Thu Duc City, Ho Chi Minh

- Developed Multi-Agent systems for the trading domain using Dspy and the Agno Framework.
- Fine-tuned Large Language Models (LLMs) for Vietnamese medical Question Answering tasks.
- Generated and curated synthetic datasets to improve training data quality and model robustness.

Research Collaborator

Taipei Medical University, Taiwan 🔗

In collaboration with Dr.Quang Hien Kha, PhD 

Apr 2025 - Now

Remote

- Joint research on AI for breast imaging, with a focus on mammography analysis, Breast MRI.
- Developing semi-supervised learning methods for mammography segmentation.
- Contributed to model implementation, experimental evaluation.

Mathematics Teaching Assistant

Uranus Developing and Training Center 

Oct 2023 - Nov 2024

Di An, Binh Duong

- Assisted teachers in explaining concepts and solving exercises for secondary and high school students.
- Provided one-on-one academic support and answered student questions during class sessions.

AWARDS AND HONORS

- Top 100 Outstanding Students of Fall23, Summer24, Fall24, Spring25.
- Achieved Honorable Student in Spring24.
- Achieved 70% Full Scholarship for Bachelor's Degree Program at FPT University.
- Third prize - Mathematics City excellent student contest 2022.
- Third prize - Solving Mathematics on calculator excellent student contest 2022.
- Achieved Odon Vallet Scholarship 2021.
